The image shows the Chrome Web Store page for the OneTab extension. At the top, the extension name "OneTab" is displayed with a puzzle piece icon, offered by "one-tab.com", and has a 5-star rating from 6606 reviews and 1,271,873 users. A green "ADDED TO CHROME" button is visible. Below the header are tabs for "OVERVIEW", "REVIEWS", "SUPPORT", and "RELATED". The main content area features a large promotional graphic with the text "OneTab Save up to 95% memory and reduce tab clutter in Google Chrome". The graphic shows a browser window with 21 tabs, labeled "Before: 1981 MB used", and a smaller window showing the OneTab list, labeled "After: only 99 MB used". A large "95% memory reduction" is highlighted. To the right of the graphic, there is a "Compatible with your device" icon and text, followed by a section titled "Save up to 95% memory and reduce tab clutter" with a detailed explanation of how the extension works. Below this is a "Privacy assurance" section and a "Report Abuse" button. At the bottom right, there is an "Additional Information" section listing the version (1.17), update date (September 14, 2016), size (656KIB), and languages (See all 30).

Save up to 95% memory and reduce tab clutter

Whenever you find yourself with too many tabs, click the OneTab icon to convert all of your tabs into a list. When you need to access the tabs again, you can either restore them individually or all at once.

When your tabs are in the OneTab list, you will save up to 95% of memory because you will have reduced the number of tabs open in Google Chrome.
